Best of Fabrics

Bellina is Cortina's latest award-winning genuine leather collection made in collaboration with textile designer Virginia Langley. Rich, earthy shades are contrasted with the dusted and misty tones of nature, creating a sophisticated collection ready to be mixed and layered for casual harmony. Made in Italy by true leather artisans, Bellina's elegant tone-on-tone natural pebble grain and subtle color variation are infused with a biophilic appeal. This leather has a beautiful drape and the dreamy, draggy hand only found with quality, genuine leather. Protected by Crypton for excellent stain resistance and cleanability, Bellina is a sustainable and versatile leather ready to add elegance and casual sophistication to any design.

Environmental Stewardship: Bellina is produced in a tannery which has achieved a gold rating as audited to the Leather Working Group environmental stewardship and traceability standards. Further enhancing its sustainability profile, Bellina is finished without the use of solvents or lead, emits low VOCs, and has achieved an Indoor Advantage Gold certificate from SCS.

Technical Specifications

Origin	Italy
Raw Material	Full grain, aniline drum dyed
Leather Type	Semi-aniline, protected by Crypton®
Average Hide Size	50 – 55 sq.ft.
Thickness	1.3 – 1.5 mm
Abrasion Resistance	ASTM D7255: C510 Wheel Taber 500 Cycles/500 gram weight; ISO 11640: Veslic – Dry 500, Wet 80, Perspiration 50
Light Fastness	ISO 102-B02: Blue Wool Scale ≥ 3
Blocking	ASTM D6116
Colorfastness	ISO 11641 Colorfastness to Perspiration
Wet Crocking	ASTM D5053: Class 3
Antibacterial	AATCC 100: 99.9% Reduction of Bacteria – AATCC 4352 Klebsiella Pneumoniae and AATCC 6538 Staphylococcus Aureus

Performance Code 2

Leathers with Performance Code 2 retain their natural appearance while carrying additional protections against abrasion, staining and color fading. Aniline leathers with some protection and semi-anilines are found here. These leathers are suitable for a wide range of applications across a wide range of wear and stain risk, such as those found in commercial settings and dining areas. More information is available on our website at cortinaleathers.com/resources/performance/.

Care & Cleaning Code 5

Cortina Leathers with Crypton® provide the industry's greatest stain resistance and cleanability. Stains which can be easily removed include wine, coffee, sunscreen, hair gel, hair mousse, vinegar, blood, urine and most other stains from food and typical soiling. Should a spill occur, blot (pressing gently without rubbing) immediately using clean, dry sections of an absorbent cloth or paper towels. Should soiling remain or for a more thorough cleaning, Cortina Leathers Universal Cleaner High-Tech Wipes® or a solution of lukewarm water and a mild cleaner, such as Ivory® soap or Woolite®, may be used. Dampen a clean white cloth and gently wipe the affected area using a circular motion. Rinse completely with clean sections of cloth which is damp with plain water until all cleaner is removed. Blot dry with paper towels or dry cloth and allow to completely air dry. Repeat the cleaning process as needed, allowing the leather to dry between applications. If necessary, Cortina's running-line Crypton protected leathers can be cleaned with cleaners containing up to a 5% bleach solution (Sodium Hypochlorite). However, most stains can be easily removed using just gentle soap and water or the readily available commercial and household cleaning products listed on our website.

Note: To ensure complete removal of any stain from Crypton-treated leathers, the cleaning process must be undertaken within 60 minutes of any spillage or staining occurring. Successful stain removal will become less possible over time, so always treat spills and stains immediately. Avoid the excessive application of cleaning products on seams or stitching. Visit cortinaleathers.com/resources/care-cleaning/ for more information.

Warranty

Leathers with Performance Code 2 have a 1 year limited warranty against manufacturing defects. Leathers with Crypton protection also feature a 3 year warranty for stain resistance. See complete details at cortinaleathers.com/resources/warranty/.
